Subject: E-Rate Contract, Year 2007 -2008, Internal Connections

Mr. Lee Ullrich,

Recently we received the Schools and Libraries Division Appeal Denial, and a copy of the USAC Demand letter for funds disbursed during the 2007-2008 E-Rate Internal Connections Contract.

The contract's typographical errors and the confusion caused by our previous consultant undoubtedly led to this issue. Things have been much more timely and organized since you have been helping us. As I shared with you before, I knew that we had another copy of that contract somewhere.

After receiving the Demand letter we went back through all of our e-Rate boxes of records, starting in 2006. We found our original, for 2007-2008, misfiled in the 2008-2009 folders. I have included a copy of that original contract for your records and appeal. I really appreciate your organizational skills and perseverance in helping us resolve this problem. In the current financial climate of School funding, we need to avoid any additional financial obligations.

Thank you,

Claudette Yarbrough
